

Quality Customer Service - We recognize that our continued success depends on our customers' satisfaction with our ability to deliver quality service. Our office, located in Co-op City, provides excellent customer service, professional installations & service, courteous technical and billing support to our friends and neighbors.

Our goal is to earn our subscribers' trust everyday by making sure that every subscriber is satisfied everytime

they have contact with a member of the Community Home Entertainment team.

We're determined to keep working to provide the best service possible. Building a positive relationship with our subscribers is at the heart of what we do. We are committed to offering only the very best in; quality, choice and convenience to you because you deserve nothing less from your cable provider.

CHE has been Co-op City's cable company of choice for more then twenty years because quality comes first.

When I talk to our subscribers, they're not just customers, they're my neighbors!

CHE knows how hard it is to raise a family on a budget, they give us packages that we can afford and still get something for everyone!

More Choice, Better Value - Community Home Entertainment offers the best value in Cable TV, Broadband Internet and Digital Telephone. We work hard to provide you with the widest range of programming at the best possible prices!

Our packages allow you to select the programming and price that works for you and your family. Our cable service provides you with over 200 channels including; movie channels, access to Pay-Per-View and digital CD quality music.

**Community Home Entertainment...
Just Better!**

We used to live on Long Island and had cable from a big national company. When we moved to Co-op City we chose Community Home Entertainment.

We're Here For You - You can count on always getting the highest quality customer service from our Co-op City based office. Community Home Entertainment is in business only to serve our friends, family and neighbors in Co-op City.

Our business is the same as it always has been to provide the very best service at the best price possible to the residents of Co-op City.

Community is important to me, CHE supports my community by contributing \$500,000. a year to Co-op City.

Community Matters - For more then twenty years Community Home Entertainment has been a part of the Co-op City way of life, providing the high quality, low cost cable & internet service the residents of Co-op City deserve.

CHE has contributed \$500,000 a year to help to keep your rent affordable. That's more than \$7,500,000 from our current contract alone.

We believe in the residents of our community, which is why most of our office and technical staff are Co-Op City residents, just like you.
