About Us

What is Gratia?

Gratia is more than our name, Gratia is who we are and what we do for our clients!

Gratia is a latin word that means, charm, attraction and pleasantness. It also means favor with others, regard and popularity. Finally Gratia means, kindness and service.

The clothes we wear do more than cover us they are an extension of who we are. They are a first impression that speaks volumes about our personalities without us having to utter a word. Appearance is what creates a favorable impression with others. A well dressed person is thought to be more charming, attractive and pleasant.

We believe in service of the highest order and strive to deliver personal, individual attention to each and every client.
